LABOR AND INDUSTRIAL
RELATIONS COMMISSION

MOTION TO INTERVENE

COME NOW Asbestos Workers Local Union No. 1, (hereinafter referred to as "Intervenors"), and, as grounds for their intervention, state as follows:

1. Intervenors, with their offices in St. Louis, Missouri, and having jurisdiction over approximately half of the State of Missouri, including the Counties of Boone and Cole, represent members who perform work with signatory contractors to collective bargaining agreements throughout the State of Missouri. These individuals perform work often denominated under 8 C.S.R. 30-3.060 under the occupational title of Asbestos Worker.

2. The hours submitted by contractors signatory to agreements with Local Union No. 1 predominate in the Counties of Boone and Cole.

3. The Intervenor has a specific interest in assuring that the prevailing wage as established by the hours performed by its members is protected and therefore constitute parties over whom an ultimate determination may affect their interest and should be permitted to intervene pursuant to Section 290.210, R.S.Mo., *et seq.*

4. Intervenors have reviewed Objections filed on behalf of hth companies, inc., and the

attachment filed by the Objectors and state affirmatively that the Division's and Agency's hourly rates for the locality are correct and that the Objections are without merit.

WHEREFORE, Intervenor respectfully request authority and permission to intervene in this matter.

Respectfully submitted,

BARTLEY GOFFSTEIN, L.L.C.
